

FAIRPLAY TOWAGE POLSKA

spółka z ograniczoną odpowiedzialnością sp. k.

81-337 Gdynia, ul. Celna 5

Gdynia, 30/06/2022

To whom it may concern:

Please be informed that a new Tariff for towage and mooring services rendered in the Port of Gdynia will come into force as of 01/09/2022.

One of the major factors contributing to the necessity of this update is a complete change to SSHINC basis, meaning there will be no more weekend and holiday surcharges. We trust that this solution will be beneficial for all shipowners and operators, allowing more flexible planning of calls.

The second driving force behind the increase of rates is inflation and steadily rising costs of labor and utilities. Moreover, the switch from SSHEX to SSHINC generates an income gap of approx. 4,5% which adds to the overall rise of base rates by 12 %

Apart from the update of rates, the new Tariff does not implement any significant changes.

Sincerely

Management of Fairplay Towage Polska
